WATERSIDE COLLECTION

The 'Waterside' collection by Baker Lifestyle reflects the irresistible allure of the coast. Exuding style and sophistication it is a perfect combination of clean lines and classic harmonious proportions.

A range of exciting original prints on crisp linens and cottons are accented with subtle embroidery and are partnered by relaxed, versatile weaves.

Colours range from gentle blues, palm greens, warm yellows and sunset corals as well as a subtle blend of soft neutrals in sand and sun-bleached white.

Designed to 'mix and match', prints such as 'Upstream' and 'Spiro' look particularly effective when paired with some of the more dramatic geometric and abstract patterns in this fresh, vibrant collection.
